

Salt Terminator®

ENGINE FLUSH, CLEANER & CORROSION INHIBITOR

PURGADOR, LIMPIADOR E INHIBIDOR DE CORROSIÓN PARA EL MOTOR

For Protecting Anything Exposed to Salt

Para proteger cualquier cosa expuesta a la sal

Saltwater, salt air and road salt can lead to rust, corrosion, vehicle damage and costly repairs. Salt Terminator® dissolves destructive salt debris that can't be removed by water alone and leaves a protective coating, guarding against future salt corrosion. Regular maintenance with Salt Terminator® can help extend the life of vehicles, trailers, tools, gear and equipment. Lab-testing shows Salt Terminator® excels at removing heavy salt deposits without leaving behind a spotty residue like other similar products.

Spray on Salt Terminator® to clean and protect virtually any surface. The Salt Terminator® Mixer automatically dilutes the concentrate and siphons it through a standard garden hose. No scrubbing or rinsing required!

When used as a motor flush, Salt Terminator® also cleans and protects internal marine engine components, extending the life of outboards, sterndrives, jet boats and personal watercraft. Great for cleaning and protecting trailers and flushing trailer brakes too.

Hundreds of Applications:

- Marine • Automotive • RV
- Powersports • Heavy Trucking
- Construction • Utility Service
- Hardware • Home

Not just for salt corrosion! Freshwater will also corrode internal engine components.

Part No.	Net Wt. / Package Type	Units per Case	Unit Dimensions	Case Dimensions
SX-10	10 fl oz spray	12	8.5" H x 2.3" W x 2.3" D	9" H x 8.8" W x 8.5" D
SX-32	32 fl oz concentrate	7	9.5" H x 5.3" W x 2.8" D	9" H x 14.8" W x 10.3" D
SX-32M	32 fl oz concentrate with mixer	6	9.5" H x 7.3" W x 3" D	9" H x 14.8" W x 10.3" D
SX-128	1 gallon concentrate	6	10.3" H x 7" W x 5" D	10.8" H x 14.8" W x 14.8" D
SXMXR	mixer unit	12		

CRC is committed to developing safe, environmentally responsible products. The SALT TERMINATOR formula is biodegradable, contains no ozone depleting chemicals, no carcinogens, no hazardous air pollutants, no nonyl phenols, no heavy metals, no phosphates, and no butyl.

CRC Industries is a worldwide leader in the production of specialty chemicals for the DIY and maintenance professional, serving the automotive, marine, hardware, electrical, industrial, and aviation markets. CRC is ISO 9001:2008 certified and adheres to the strictest guidelines for quality in all facets of research, development, and production.

Salt Terminator®

UNLIMITED APPLICATIONS! ¡APLICACIONES ILIMITADAS!

Marine

- Cleans and Protects Boats, PWCs and Trailers
- Motor/Cooling System Flush for Marine Engines
- Removes Salt Deposits from Tubes, Towables, Rafts, Vinyl Seat Cushions, Life Preservers, Life Vests, Water Skis, Wakeboards and Other Water Toys and Gear
- Use to Spray Down Fishing Tackle

Automotive / RV / Trucking

- Cleans and Protects Undercarriage, Rocker Panels, Side Skirts, Muffler and Exhaust System, Brakes, Wheels, Tires, Bumpers
- Washes Away Build-Up of De-Icing Agents on 5th Wheel
- Helps Prevent Corrosion of Heavy Truck Trailer Rear Door Frames
- Use to Spray Down RVs, Campers, Towable Travel Trailers
- Use to Flush Trailer Brakes

Construction / Utility Service / Maintenance

- Tools, Construction Vehicles, Utility Bodies and Tool Boxes, Cargo Trailers, Utility Service Trucks
- Municipal Maintenance/Service Vehicles, Landscape Equipment, Snow Plows, Salt Spreaders
- Waste Removal and Recycling Vehicles

Hardware / Home

- Tools and Tool Boxes, Lawn and Garden Equipment, Patio Furniture, Metal Window Frames, Metal Door Screens, Frames and Thresholds, Bicycles

Powersports

- Keeps Powersport Vehicles and Equipment Looking Like New
- Ideal for Motorcycles, Scooters, ATVs, Motocross and Trail Bikes, Jet Skis, Snowmobiles
- Cleans and Protects Vehicle Trailers
- Protects Chrome-Plating and Other Metals from Corrosion
